

Myfuture

Designed for Year 9 students interested in the 14-16 Programme running at the Preston campus in their GCSE Options choices (please contact 14-16 Team to discuss information about other delivery sites).

Tutors will be available from all courses. Campus tours, application information and post 16 Options advice also available.
Courses in:

Agriculture - Countryside and Environment
Animal Care - Construction - Horse Care
Football - Sportsturf - Photography
Motor Vehicle

The event is not designed for students considering the new Diploma qualification, although advice and information will be available.
