

Wow, what wonderful and magical things have been happening in the Expressive Arts Department at Unity College, especially the amazing transformation of the Drama Studio from present day back to the 1950's. Yes, Summer Lovin' was in the air and the final performance was simply amazing!

Congratulations to Mr Pip, for the overall vision and direction; Mrs Anderson, for the Choreography, and Mr Smith for the musical direction.

However, the biggest congratulations must go to the cast for their commitment and enthusiasm

A huge thank you to:

Mr Warren, Scott, Mr Bugden, Mr Smith and Miss Wilson for the wonderful college band.

Mrs Taylor for costumes and backstage management along with Miss Birchby.

Mr Brice for lighting and sound, Mrs McDonald for calling the show and the hundreds of other people who gave up their time to ensure that the performance was simply fantastic.

The only question is, what role you will take in the next performance?

### Success
