UNITY'S NEW SPORTS PAPER

Issue 7
15th March

Fixtures Coming Thick and Fast

There are upcoming fixtures for Cross country, Netball, Hockey and Football. (Check the fixture calendar to see when your team is playing.)

Meanwhile the Boys have fixtures in Hockey and Football. The Hockey game is an in house game which pits the White Knights against the Black Devils.

The girls fixtures included Netball competitions for Year 9 and Football for the Key Stage 3 team but most importantly is the semi-final of the Lancashire cup against Darwen Aldridge Academy at Unity on the 30th March. Please come along and show your support.

There are fixture for Years 7,9,10 and 11 in the Burnley School cup. The Year 7's are due to play on Thursday 18th, the year 9's are due to play Tuesday 16th and the year 10 and 11's are waiting to be confirmed

Year 8's Put up a Brave Fight

The Year 8's recently played Blessed Trinity in the Burnley Schools cup Quarter Final and were in buoyant mood considering the previous 2 fixtures had finished 11-0 and 6-0, to Blessed Trinity. Match Report by Lewis Wiggan

The boys went into the game with a positive attitude, after the defeat in the last game, they had corrected errors (new manager, Mr Booth) and set a new formation to be more offensive.

The game started in positive way for Unity in the first half with most of the possession, there were a few good chances like

Adam Wolfenden's cross which nearly ended up in the top corner, another good chance came when the ball came in from the right and Jack Waite stepped in front of the goal only for the ball to bobble and hit his back side. The other good chance of the half came from a Denzel Yates free kick which was struck with venom and was headed away by a Blessed defender.

The first goal of the game came from a long throw in and it was a sharp turn and a good finish from their striker, this happened with 5 minutes left of the first half.

The second half was a good start with some good passing . Unity's

first chance of the half was a long range shot from Trenton saved by their goal keeper. There second goal was a cross from the left which the goalkeeper was blinded by the sun, it came over him for a tap in at the back post. The boys played well and were proud because we had improved so much. Man of the Match Lewis Wiggan. Match Report by Lewis Wiggan.

Thank you for that, just to add that the whole team played a part in a really good game of football and with a little bit more luck, we would have won that game. They had 2 shots all game!!!!

Well done Boys

Sporting News

Unity’s Sports clubs has seen a massive rise in attendance due to the incentive scheme, well done to all those who are attending and have reached their Bronze award already and a few of you have managed to reach the Silver award. It’s not too late to get a card and start collecting your stamps.

The closing deadline for the stamp trip will be mid June but we will confirm the date in the next few weeks.

Futsal News

The Futsal league has started and results will be published outside the PE office, so far the news coming from the Futsal league is that Tom Boyle has been different class!!!

Sport Relief

There is a Sports Relief challenge on Thursday 18th March involving Hula Hoops or a kick up competition, come and speak to Mr Holden if you would like to be involved

Lastly one of our Feeder Primary schools is through to the county final for high 5 netball, after beating all comers in the Burnley primary schools competition. Good luck to all involved in the county final.
