UNITY'S NEW SPORTS PAPER

SUMMER TIME!

It's the official start to Unity College P.E.'s summer time, make sure you bring your sun cream and umbrellas with you. A few new changes are happening in the P.E. department which include start of summer sports in your lesson and also a new extra curricular timetable, which you should have seen in your PD's but if not it's on page 2 of this paper.

Unity managed to work their way through the fixtures before Easter and some since coming back and have had some good results again with the girls leading the way.

Below you will find a match report written by our own sports reporter Karly Evans from the semi-final of the

Lancashire Cup for the under 13 girls and on page 2 there is a match report from the Intra Unity Hockey game from our very own professional footballer Andriy Veronin aka Mr. Williams.

There were also 2 other big sporting events that happened on Thursday, the year 10 in the Keighley Cup Semi-final and the annual Cheer dance competition. Mixed results for Unity, The year 10 boys lost 2-0 after extra time but gave a great account of themselves and the girls won the Burnley Cheer dance competition, so well done to all involved.

BEST FOOTBALL TEAM IN THE SCHOOL?

This report is all about the semi-final the year 7 and 8 girls football team played by Karly Evans.

We were all very nervous about playing the game but we knew we could win it, we believed in ourselves. The first few minutes were a struggle but we soon woke up. All of a sudden Sophie ran down the pitch and took a shot in the box and scored, we and the parents were so happy but we knew it was only one and also that if we can score one we can score a lot more.

About 10 minutes later we had the ball again passing all the way and then Rachel got the ball and scored just past the penalty spot. Now we were leading by two goals. Then 5 minutes later

Olivia put the ball right at the back of the net. Before we knew it, it was half time and the score was 3-0 to us.

Then we were back on the pitch and it was their kick off. Then all of a sudden Sophie was skimming their defenders and put it in the net once again she really is a good player isn't she? 3 minutes after that Hannah scored one now the score was 5-0 to us and we were all over the moon but the game was not over yet.

They then had the ball and running towards our net but luckily Jessica tackled their player and got the ball but there were two many of them and no one to help Jess. For some reason I don't know the ref then gave a penalty.

I was really nervous because this goal depended on me. Unluckily it just went above me as I dived so now the score was 5-1 to us but we did not put our heads down and we went back out all guns blazing.

Before I knew it both Sophie and Devon had scored and it was 7-1 to us. The ref then blew his whistle so we had won.

We had won the semi-final of the Lancashire cup we were so happy and it also meant we were the only team in the whole school still in the cup. I think the girl of the match was well I really cannot one the whole team played fantastic. Now we wait to get the details for the final. WELL DONE!!!

Black Devils punished by the White Knights

The long awaited Intra-Unity hockey match finally took place on Monday 22nd. A good turn out of 9 per team enabled us to play full pitch.

Blacks were first off the mark after some good pressure and it was Jamie Box who opened the scoring with a great shot to make it 1-0 Blacks, Jamie was on the whites though!

Mr. Williams was suitably impressed with both teams using their wings and by half time Blacks were 3-1 up Ali Syed and Ethan Aitken adding a goal each and George Scott replying for Whites.

Second half saw the Black's keeper Matthew Nuttall change teams under sulking protest. Fortunately the hockey kit prevented us from seeing the tears!

Whites were playing for their lives George Scott on target with Ethan Jackson adding another. Whites were 5-3 up now and had to defend with backs to the wall after the on fire Ali Syed made it 5-4. Well Done All.

Mr. Williams

FUTURE FIXTURES

Due to changing from Winter sports to Summer Sports no fixtures are currently penciled in the Sports Diary for the next 2 weeks.

Fixtures to look forward to

TAG Rugby

Cricket

Athletics

TRAINING FOR CLUBS As from May 2010

Monday
