## UNITY'S NEW SPORTS PAPER

# Girls Lead the Way

Under 12's girls won the first silverware of the year showing the boys how it's done.

Unity girls beat two other school's in the annual Wagon Wheels competition to go on and represent Burnley in the regional tournament.

Unity drew their opening game against Blessed St Trinity but looking at the stats taken by Matthew Oliphant and Zack Whitham (see table) they should have won by a big margin.

Unity then played Shuttleworth and won convincingly 6-1, which played a big part in Unity winning the competition on goal difference.

In the final game Blessed St Trinity beat Shuttleworth in a close game 2-1.

Resulting in Unity finishing top on goal difference.

Congratulations to the Year 7 girls and Miss Lomax (Manager of the Year?)
