Task Two

On the Role on the Wall, you must write down all of the characteristics of a good employee inside, and on the outside write down all the bad characteristics of a poor employee. These are all things that you should be demonstrating or avoiding every day in College.

Task Three

You will need to use the Internet to research different job opportunities for working in the Arts (Art, Music, Dance and Drama). Two useful websites are www.yde.org.uk, (resources - guidance - careers in dance) and www.equity.org.uk

Write a list of all the jobs you have found:

- 1.
- 2.
- 3.
- 4.
- 5.
- 6.
- 7.
- 8.
- 9.
- 10.
- 11.
- 12.
- 13.
- 14.
- 15.

- 16.
- 17.
- 18.
- 19.
- 20.

Task Four

Pick a minimum of three of these jobs and create an A5 booklet that could be used in schools to help young people decide on whether this job would be an appropriate choice for them.

The front page should have the name of the job and a bright and appropriate image.

The inside and back pages should talk give a brief overview of the job's and the qualifications and training needed for the role.

You need to be factually accurate and must not simply copy and paste from the Internet. Please make sure that you use your own words. Remember this booklet is for use in Schools so it should be bright, easy to read and colourful. You may either write (on the pages provided) or word process your booklet.

If you have any questions or need help please see any of your Arts teachers before the hand in date.
